Mansfield, OH—Mayor Tim Theaker is pleased to announce that after several weeks of negotiations with Tough Mudder personnel, an agreement has been reached with them to hold their competition in Mansfield again in 2014.

This event had a huge impact on Mansfield and Richland County when it was held this past spring and we are happy we are able to bring this event back next year.

The 2014 Tough Mudder competition will take place in Mansfield May 17-18, 2014.
