Subject: Curb side leaf pick up update:

The City of Mansfield is announcing that we will attempt a second pass for the curb side leaf program beginning today Monday, December 5, 2016. Weather permitting we will have crews working daily Monday through Friday.

Based on weather conditions the City of Mansfield will collect leaves missed during the single pass of the city but cannot guarantee this will occur in all areas. You are encouraged to either mulch leaves or take them to one of our collection site if you miss leaf collection on your street. The planned route is as follows.

Area 1 contains Zone 6 and 8.

- 1 – Crew starting W. Cook and Woodhill working south west (Zone 6)
- 1 – Crew starting in the southwest corner of Royal Oak and work north east (Zone 6)
- 1 - Crew starting at Marion and Sherman Ave working west (Zone 8)
- 1 – Crew starting at S. Trimble and Park Ave West working east (Zone 8)
- 1 – Crew starting at Home Rd. and Park Ave West working east (Zone 8)

Please refer to the City of Mansfield home page for a map and any detail updates. (<http://www.ci.mansfield.oh.us/>).

Once the first area has been completed we will document this on our City of Mansfield home page under the 2016 Leaf program tab along with any following area we are able to make a second pass through. The City of Mansfield would like to encourage residents to bag their leaves and bring them to one of the drop sites or compost them by

mowing or other composting methods. **Also, please when raking your leaves to the curb do not place them in the streets. This causes flooding of streets and other storm water problems and is a violation of city ordinance #911.06(b).**

Any questions should be directed to the City Service Complex Monday through Friday 7:00am to 3:30pm at 419-755-9803.

Thank you,

City of Mansfield Service Complex
