Subject: Boil advisory issued

Due to a water main repair it will be necessary to issue a boil advisory for the following area:

Bowman Street from West Fifth Street to West Fourth Street.
West Sixth Street from Bowman Street to Sycamore Street.
Sheridan Avenue from Bowman Street to Benton Street.
Benton Street from Sheridan Avenue to West Fifth Street

Under a boil advisory it is suggested that all consumed water be brought to a rolling boil for a full 3 minutes prior to consumption. This is a precautionary measure to be taken until samples can be tested to confirm water purity. A notice will be issued at the completion of the test.
