Due to a hydrant repair it will be necessary to issue a boil advisory for the following areas:

Grace Street from Wayne Street to Oakenwaldt Avenue

Pearl Street from Grace Street to Spring Street

Cherry Street from Grace Street to 472 Cherry Street

Under a boil advisory it is suggested that all consumed water be brought to a rolling boil for a full 3 minutes prior to consumption. This is a precautionary measure to be taken until samples can be tested to confirm water purity. A notice will be issued at the completion of the test.
