Subject: Boil advisory issued

Due to a water main repair it will be necessary to issue a boil advisory for the following areas:

North Main Street from Fourth Street to North Park Street.

East Third Street from North Main Street to North Diamond Street.

West Third Street from North Main Street to North Walnut Street.

Under a boil advisory it is suggested that all consumed water be brought to a rolling boil for a full 3 minutes prior to consumption. This is a precautionary measure to be taken until samples can be tested to confirm water purity. A notice will be issued at the completion of the test.

Any questions concerning this notice may be directed to the Water Repair Dept. during normal business hours Monday thru Friday 7:00am to 3:30pm at 419-755-9806.
