Subject: Boil advisory issued

Due to a water main repair it is necessary to issue a boil advisory for the following area:

West Sixth Street between Sycamore and Bowman Street.  
West Sixth Street between Bowman Street going East to the bridge.  
Bowman Street from West Fifth Street to West Sixth Street.  
Bowman Street from West Sixth Street north to bridge.

Under a boil advisory it is suggested that all consumed water be brought to a rolling boil for a full 3 minutes prior to consumption. This is a precautionary measure to be taken until samples can be tested to confirm water purity. A notice will be issued at the completion of the test.

Any questions concerning this notice may be directed to the Water Repair Dept. during normal business hours Monday thru Friday 7:00am to 3:30pm at 419-755-9806.

Thank you,

City of Mansfield Water Repair
