Subject: Boil Advisory

Due to a water main repair it will be necessary to issue a boil advisory for the following areas:

Marion Avenue from Carpenter Road to Poplar Street  
Carpenter Road from Glessner Avenue to Marion Avenue  
Venum Avenue from Marion Avenue to Glessner Avenue (Westside of road only.)  
Lind Avenue north of Marion Avenue

Under a boil advisory it is suggested that all consumed water be brought to a rolling boil for a full 3 minutes prior to consumption. This is a precautionary measure to be taken until samples can be tested to confirm water purity. A notice will be issued at the completion of the test.

Any questions concerning this notice may be directed to the Water Repair Dept. during normal business hours Monday thru Friday 7:00am to 3:30pm at 419-755-9806.

Thank you,

City of Mansfield Water Repair
