Mansfield Department of Police
30 North Diamond Street, Mansfield Ohio 44902
(419) 755-9724

Kenneth Coontz, Chief of Police

For Immediate Release

Date: October 26th, 2017

No. # 57

Subject: "Citywide Trick or Treat"

The Mansfield Division of Police would like to remind the community that the citywide "Trick or Treat" event is scheduled for this evening from 5:30pm-7:00pm. Residents wishing to participate are asked to turn on their porch lights between those hours so that the "Ghosts and Goblins" know where to go. It is suggested that the participating age group of kids be no older than 12 years old.

Parents and guardians, please keep in mind to check all candy and/or collectables that your children bring home prior to consumption and/or use. Also, please do not drive your children from door-to-door as this could create a traffic hazard for the children as they exit and enter the vehicle, as well as create traffic flow problems by unnecessarily blocking traffic lanes. It is best to safely park your car and walk the neighborhood by using city sidewalks. A flashlight may, also, be a handy item to have with you.

The Halloween season is always such a fun time for kids and families and we encourage those participating to use basic safety rules to ensure a great time for all.

Also, if you see any suspicious activity, please call the Mansfield Division of Police Dispatch at (419) 522-1234. Thank you and BE SAFE!
