

**NEWS RELEASE
CITY OF MANSFIELD**

Tim Theaker, Mayor

For Immediate Release

Date: April 1, 2020

Contact: Clearfork Manager
419-884-6277

Subject: Clearfork Marina & Camp Grounds

Mansfield, OH- The City of Mansfield and the Clear Fork Reservoir campground prioritizes the health and safety of our community, the campers, and our employees. Due to the Coronavirus we are heeding the orders of our national, state, and local health officials. We will not be opening the Clear Fork Reservoir Campground until further notice or the Governor lifts his stay at home order. This is in response to the Ohio Department of Health (ODH) order that all persons stay at home unless engaged in essential work or activity. We will continue to follow the guidance of the ODH and provide updates should this order be extended.

This decision is not easy but the health of our guests and employees are our top priority. Our buildings are closed to the public at this time. The trails and public boat launch remain open. Any daily camping reservations during this time have been cancelled. A refund policy for seasonal campers is being developed at this time.

Law enforcement will continue patrol and provide assistance to the public. Clear Fork staff will continue working to provide essential operations of the reservoir.

We look forward to serving the public once this advisory has been lifted. Thank you for your continued patience during this trying time.

For any other questions please call the campground manager at 419-884-6277.
