Subject: Water service shut down

Due to water main repairs the City of Mansfield Water Repair Department will have to shut down water service to the following areas:

Harker Street from North Mulberry Street to Bowman Street.

Bowman Street from Harker Street to Chester Avenue.

Grant Street from Raymond Avenue to West Longview Avenue.

Please note this shut down may cause water pressure to drop in the down town area. Full pressure will resume upon completion of repairs.

The water shut down will begin at 9:00am tomorrow Saturday January 30th 2016. Water service is expected to be restored to the areas by the end of the work day barring any unforeseen problems. A boil advisory will be issued for the affected area upon completions of repairs. Questions concerning this notice may be directed to the City of Mansfield Water Repair Dept. during normal business hours Monday thru Friday 7:00am to 3:30pm at 419-755-9806.
