Subject: Fire Hydrant Flushing

Mansfield, OH-- The Mansfield Fire Department will begin flushing and testing fire hydrants in the City on Monday June 27th. The work on the hydrants will occur between 9:00 am and 4:00 pm on Mondays, Tuesdays, Wednesdays and Thursdays only. Residents may experience some rusty water during this process. If anyone has a problem with rusty water in their laundry please call the Mansfield Fire Department at 419 755 9814 (7:30-4:00) or 419 755 9818. We ask for your patience while we are testing the hydrants. Please be aware of and slow down when driving by the fire fighters who are out flushing the hydrants. Also be careful driving through water that may be on the roadway as a result of the testing.

Work will begin south of Cook Rd. Location updates will be provided as the process moves forward.
