

News Release

City of Mansfield, Ohio

Donald R. Culliver, Mayor

For Immediate Release

Date: October 7, 2011

Contact: John Yoha / City Service Complex

Subject: 2011 Leaf Collection Program

The City of Mansfield is announcing the 2011 leaf collection program. We will be providing three (3) collection sites. Two (2) of the collection sites are the same as last year, The City Service Complex at 480 Park Avenue and Sterkl Park on Hollywood Lane. The third collection site is going to be Liberty Park on Grace Street.

The Service Complex at 480 Park Avenue East is now accepting leaves Monday through Friday 7:00am to 4:00pm. The collection sites at Sterkl and Liberty Parks will open later in October with the city announcing the days and hours of operations.

All residents are encouraged to use the collection sites or to compost their leaves.

The city will also attempt to make a **single pass** to pick up leaves curb side. The city will announce the starting date and the location of where city crews will be starting and how they will advance through the city. If residents want their leaves picked up at the curb, they are encouraged to rake them to the curb as they fall. The city will allow most of the leaves to fall before we start our curb side service. **Again the city stresses we will only be making one curb side pick up and residents should use the collection sites or composting.** Any questions should be directed to the City Service Complex Monday through Friday 7:00am to 3:30pm at 419-755-9803.

Thank You!
