Subject: Middle Bellville Road Construction

Mansfield, Ohio--

Underground Utilities, Inc. from Monroeville, Ohio has been awarded the contract to construct the Middle Bellville Road Project. Underground Utilities, Inc. has worked for the City before and has worked on similar projects in other communities.

To date, Ohio Edison, Century Link, Time Warner and Columbia Gas have been relocating their utilities to prepare for the Middle Bellville Construction Project.

Underground Utilities, Inc. plans to begin construction **Monday, April 23, 2012**, beginning with the section of Middle Bellville Road between Lexington Avenue and Logan Road. Local traffic access will be maintained to Hull Veterinary Clinic, the Masonic Temple as well as residences on this block. All through traffic will be detoured during the project.

Motorists are advised to use caution when driving in and around the work zones. Equipment and workers will be frequently entering and exiting the roadway.

Additional press releases will be issued throughout the duration of the project to provide updates on changing traffic patterns.

Questions about the project may be directed to the Mansfield City Engineer's Office at 419-755-9702.
