A special 'thank you' to all who continued to support our downtown merchants during this COVID-19 crisis. Beginning today, July 24, 2020, the City of Mansfield will re-establish enforcement of parking violations at meters in the downtown area.

Please continue to support our city-wide merchants as they offer take-out meals and some delivery options. Many have opted to re-open to the public while establishing social distancing requirements.

We encourage all to continue to follow the guidelines set forth by the Ohio Department of Health. Together we will work through these challenging times and emerge as an even stronger community.
