Subject: Play Equipment

Mansfield, Ohio- Effective April 1, 2020 all play equipment within the Parks is closed to public use. Our Parks will remain open for the use of the greenspace. We encourage you not to use the play equipment and be mindful of hand rails, and picnic tables.

Activities and events may change as we continue to evaluate what is in the best interest of public health. If you have any questions or concerns, please contact the Parks office at 419-522-9801. We will continue to monitor this situation as Governor DeWine and the Ohio Department of Health provide daily updates. Any changes to this policy will be release immediately to members of the public.

We thank you for your patience and we urge everyone to take their own precautionary measures to ensure the well-being of your health and the entire Mansfield community.
