City of Mansfield, Ohio

Tim Theaker, Mayor

---

## For Immediate Release

**Date:** July 6, 2012

**Contact:** Dennis Armstrong, City Engineer's Office  
419-755-9702

**Subject:** Street Resurfacing

Mansfield, Ohio--

Weather permitting, beginning Monday, July 9, Shelly & Sands, Inc., a contractor for the 2012 Street Resurfacing Program, will begin castings on the following streets:

<u>Street</u>	<u>From</u>	<u>To</u>
Cline Avenue	Marion Avenue	Bartley Avenue
Home Avenue	Bowers Avenue	East End
Topaz Street	Diamond Street	Gem Avenue
First Street	Bentley Street	Oak Street
Orange Street	Central Avenue	Fifth Avenue
Fifth Avenue	Grace Street	150' North of Vine Street

The work is expected to be completed by Friday, July 13, 2012. Motorists are urged to use caution when driving in the construction areas.

Weather permitting, beginning Monday, July 9, 2012, Smith Paving, a sub-contractor for the 2012 Resurfacing Program will continue curb ramp installation city-wide on various newly resurfaced streets and sidewalks.
