30 North Diamond Street, Mansfield Ohio 44902
(419) 755-9724

Keith Porch, Chief of Police

For Immediate Release

Date: June 16, 2020

Number: 34

Subject: Shooting/Multiple Victims

The Mansfield Division of Police is actively investigating a shooting incident which occurred in the 500 block of Louise Avenue on this date. Officers responded to this area at approximately 2:46PM in reference to multiple people being shot. Upon arrival, officers and emergency personnel located two gunshot victims, a 71 year old black female and a 22 year old black male; both suffering from multiple gunshot wounds. A third gunshot victim from the shooting, a 16 year old black male, was located a short time later at an area hospital.

The preliminary investigation has led Detectives to believe that the three victims were in the area of the incident location when a dark colored vehicle approached. At that time, an unknown person or persons inside the vehicle opened fire, resulting in the three victims being struck. It is unknown how many total shots were fired during the incident or how many shooters actively fired shots as the scene is still being processed.

The two male victims are being treated for serious but what are believed to be, non-life threatening injuries. The 71 year old female victim was in very serious condition at the time of transport to the hospital.

This investigation is ongoing and a motive for the shooting has not yet been established. Detectives and Forensic Science Section/Crime Lab personnel are at the scene and collecting evidence.

Anyone with information about this incident is asked to contact Major Crimes Detective Larry Schacherer at (419) 755-9766 or Detective Terry Butler at (419) 755-9791.

There is no additional information concerning this incident at this time.
