**Subject: Operation S.O.S. (Save Our Streams)  
John Todd Park Stream Clean up  
Saturday, June 22<sup>nd</sup> at 9:00 a.m.**

Mansfield, Ohio – Mansfield Mayor Tim Theaker, is pleased to announce as a part of the City of Mansfield’s Stream Outreach Program, **Operation S.O.S. (Save our Streams) for the year 2019.**

Litter, debris, and illegal dumping are ongoing problems. Litter and debris can stop water flow in our storm drains and cause flooding. This same litter and debris can enter into the storm drains thereby entering our streams and affecting our water quality. This same accumulation of litter and debris reflects to visitors just how much pride we have in our community.

We invite area residents, groups, and organizations to meet us at **John Todd Park (located on Bowers Avenue), on Saturday, June 22, 2019 at 9:00 a.m.** to clean up the stream at John Todd Park.

Volunteers need to wear durable work gloves, waterproof boots and insect repellent.
