**CITY OF MANSFIELD, OHIO  
HOME REHABILITATION LOAN AND GRANT PROJECT**

**SUPPLEMENTARY INFORMATION**

1. **SURITY BOND:** A Proposal Bond (Bid Guaranty and Performance Bond) or a Performance Bond.
2. **INSURANCE:** Workman's Compensation, Contractor's Public Liability and Automobile Liability Insurance are required.
3. **BID GUARANTY:** All Bidders are required to submit a bid guaranty in the form of a cashiers check, certified check, letter of credit, or a Proposal Bond, equal to 10% of the bid amount.
4. **SITE VISITATION:** It is essential for interested Bidders to visit the 3 existing site(s) to become familiar with the scope of the work, at the scheduled time listed below. At this time, every effort will be made to fully demonstrate the scope of the work at each home, as well as answering any questions the Bidder may have regarding items he or she may have already examined in the specifications. It shall be the Bidder's responsibility to field verify conditions, quantities and construction difficulty as a part of his or her bid.
5. **PAYMENT:** Invoices can be submitted to the Community Development Department each month and bills will be paid by the City after inspection of the work performed. Final payment will not be made until all necessary verifications, final inspections, and releases are submitted to the Community Development Department on or in the proper form. Please note that the Contractor is **NOT** required to pay prevailing wage rates, nor shall be required to submit any records of payroll to the City.
6. **SPECIFICATIONS:** The Technical Specifications, cover all areas of construction in a general format intended to show quality and techniques required for proper workmanship. The Individual Specifications are so written as to identify the specific areas of work with each of the residences. These Specifications attempt to analyze the scope of the work, but in certain instances, do not totally itemize the inventory of work covered by each section and required for completing the scope of work. The on-site inspections with the Architect are intended to clarify these areas, and as such, we cannot stress too much the necessity for the Bidder to attend the site visitation.
7. **PERMITS:** The contractor shall be responsible for obtaining all required permits, prior to beginning of construction, and provide copies to the Community Development Department. Copies of final inspections will also be provided to the Community Development Department.
8. **INSPECTIONS:** The Inspector of Community Development shall be notified by the Contractor for field inspections of: surfaces stripped for new paint; site work excavated for new concrete; concrete footers ready for masonry; roof tear-offs ready for new roofing. Failure to do so may require removal of newly placed material.
9. **PERSONNEL:** The Contractor and its employees shall perform the work in a workmanlike manner and shall at all times respect the property of the Property Owner, as well as the occupants of each premise. Failure of the Contractor to so conduct the work shall be reason for dismissal of any employee from the project.
10. **COST ESTIMATE:** No contract can be entered into if the contract price is in excess of 10% of the cost estimates.

**NOTE:**        SITE VISITATION WILL BE ON Thursday, August 26, 2010 , STARTING AT 465 Wayne Street, Mansfield at 9:00 a.m.
