Once an area has been completed we will document this on our City of Mansfield home page under the 2011 Leaf program tab. If you missed our curb side pick up please bag them and bring them to one of the three drop sites or compost them by mowing. **Also, when raking your leaves to the curb do not place them in the street. We also ask that you do not park in front of piles as this slows the pick up process and may cause leaves to not be picked up.**

Thank You!
