**Subject: Search Warrant**

During the late hours of February 9, 2021, METRICH Enforcement Unit detectives executed a search warrant at 597 Lida St. The search warrant was generated after Richland County Probation Officers conducted a routine check on probationer Robert H. Arrington IV.

During the search detectives seized approximately 40 grams of suspected cocaine, 16 grams of suspected crack cocaine, 13 grams of suspected heroin, and miscellaneous prescription pills. Also seized was \$4,792.00 in American currency believed to be the product of illegal activity.

Mr. Arrington is being held at the Richland County Jail pending drug trafficking and possession-related charges.

METRICH Commander Lt. Jason Bammann stated that again it was the collaboration between METRICH and local authorities that removed not just narcotics but a career narcotics trafficker from our community.

METRICH is a ten county decentralized task force in North Central Ohio whose mission is to improve the quality of life for the citizens we serve by reducing the availability of illegal drugs and weapons through proactive enforcement efforts. The success of METRICH is a tribute to the cooperation and support within the Law Enforcement Community in the METRICH region and to those citizens who have chosen to improve the quality of life in their communities by assisting METRICH in reporting suspicious activity and valuable information.
