

Mansfield Main Street Improvement Project
PID 112404
Public Involvement Notice

The City of Mansfield is proposing to make improvements on Main Street from First Street to Sixth Street. Improvements include new curbing, crosswalks, sidewalks, ADA compliant curb ramps, lighting, storm sewer, street trees, and furniture. The construction will be funded by the Ohio Department of Transportation and local funds.

Limited Right of Way will be purchased as part of the project. Pedestrian and vehicular traffic will be maintained with detours at times. The City will work with the contractor and local businesses to ensure closures to entrances for sidewalk pours, etc. are limited to non-business hours. Work is expected to begin April 2024 and be completed October 2025.

The environmental review, consultation, and other actions required by applicable Federal environmental laws for this project are being, or have been, carried-out by ODOT pursuant to 23 U.S.C 327 and a Memorandum of Understanding dated December 11, 2015, and executed by FHWA and ODOT.

Written comments concerning the proposed project may be mailed to Robert P. Bianchi, P.E., City of Mansfield City Engineer, 30 North Diamond Street, Mansfield, OH 44902 or by email at rbianchi@ci.mansfield.oh.us. Any comments must be received by Friday, April 29th, 2022.
