Subject: Boil advisory issued

Due to a water main repair it will be necessary to issue a boil advisory for the following areas:

West Sixth from Sycamore Street to Atcheson Avenue  
Sycamore Street from West Fifth Street to Spayer Lane  
Spayer Lane  
Gerke Avenue  
219, 221, 232, and 240 Penn Avenue  
375, 376, 281 West Fifth Street

Under a boil advisory it is suggested that all consumed water be brought to a rolling boil for a full 3 minutes prior to consumption. This is a precautionary measure to be taken until samples can be tested to confirm water purity. A notice will be issued at the completion of the test.

Any questions concerning this notice may be directed to the Water Repair Dept. during normal business hours Monday thru Friday 7:00am to 3:30pm at 419-755-9806.

Thank you,

City of Mansfield Water Repair
