Subject: Boil advisory issued

Due to a water main repair it will be necessary to issue a boil advisory for the following area:

Grandview Avenue from Bowman Street to Stocking Avenue
Stocking Avenue from Grandview to Fern Avenue
Fern Avenue from Bowman Street to Stocking Avenue

Under a boil advisory it is suggested that all consumed water be brought to a rolling boil for a full 3 minutes prior to consumption. This is a precautionary measure to be taken until samples can be tested to confirm water purity. A notice will be issued at the completion of the test.

Any questions concerning this notice may be directed to the Water Repair Dept. during normal business hours Monday thru Friday 7:00am to 3:30pm at 419-755-9806.
