The investment portfolio consists of public funds in high yield savings accounts, US Treasury Bonds & Notes, and Agency Bonds. Investments reflect the majority of cash in the budget. Checking and Saving Accounts hold cash for day-to-day operations. When cash is not being used for current operations, that money is invested within the guidelines set forth in the City's Investment Policy.

The book value of our current investments with Meeder for General Funds total \$38,943,999.57 and \$18,407,034.91 for Water Bond Funds. Park National currently holds all monies invested by Meeder as custodians of the funds.

The City also invested short-term funds with Star Ohio for some of the Water Bond Funds. The value of those investments on April 30 was \$5,866,144.35.

Due to the timing of some of our investments, we are required to purchase accrued interest. Our net interest earned on investments as of April 30 was \$592,882.97. The remaining \$27,019.18 of interest is related to tax enforcement, and mortgage and loan interest revenue.
